**PETITION UNDER 37 CFR 1.47(a)**

Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Sir:

Pursuant to 37 CFR 1.47(a) and MPEP 409.03, co-inventor, Mr. Alfred Norman Ducksbury, and assignee, Nauveau Technology Investments, Ltd. respectfully state that co-inventors Daniel Maxwell Drew and Darryl K. Josey (non-signing co-inventors) refuse to join the application for patent. Mr. Ducksbury and Nauveau Technology Investments, Ltd. request that the application be accepted for examination and that the attached Declaration under 37 CFR 1.63 be accepted without the signature of the two non-signing co-inventors. The inventors have agreed to assign the invention to Nauveau Technology Investments Ltd. A copy of the executed assignment by Alfred Norman Ducksbury to Kajang Nominess Pty. Ltd. (Exhibit A) and from Kajang Nominees Pt. Ltd to Nauveau Technology Investments Ltd. (Exhibit B) is attached hereto.

This action is necessary to preserve the rights of the assignee and co-inventor, Alfred Norman Ducksbury, in the present application otherwise irreparable damage would result since the application could not be properly filed as a National Stage Application under 35 U.S.C. 371 and would go abandoned pursuant to the attached "Notification Of Missing Requirements Under 35 U.S.C. 371 In The United

States Designated/Elected Office" mailed March 8, 2006 (Exhibit C; an appropriate extension of time up to and including October 8, 2006 is included).

A copy of the Declaration under 37 CFR 1.63, but with the signature blocks of co-inventors Daniel Maxell Drew and Darryl K. Josey left blank, as permitted by MPEP 409.03, is being submitted concurrently herewith (Exhibit D).

A bona fide and unsuccessful effort was made to present the application papers (e.g., the Declaration under 37 CFR 1.63 and an assignment) to the inventors for review and signature on at least two occasions the second of which is referenced in the attached letter documenting the second attempt (Exhibit E - copy of letter and receipt notification indicating receipt by Mr. Josey and Mr. Drew (or a representative thereof). Although, the documents were evidenced as having been received by the inventors, executed documents were not returned after diligent effort on this and prior occasions (see, e.g., letters of May 12, 2005 and November 21, 2005) indicating an unwillingness of the inventors Mr. Darryl Josey and Mr. Daniel Drew to cooperate.

The last known addresses of the non-signing co-inventors are provided below; we note that the contact address for Mr. Daniel Drew includes two addresses, the latter of which has worked for service of the documents:
